### TYPICAL ITINERARY

You'll be given a brief overview of the session followed by a demonstration on chocolate making by a professional chocolatier.

Everyone will each make their own unique and individual ganache (cream & chocolate filling) using a wide range of natural ingredients and will pipe this into chocolate cups. We are also able to accommodate Dairy Free and other dietary requirements. Please let us know when booking.

Whilst chocolates are setting, you'll be taught how to professionally decorate chocolates using fine piping techniques.

After a brief practice session, you'll put your new found skills to the test in a lolly decorating competition. We give a special prize for the best decorated lolly!

You'll then have an opportunity to decorate your chocolates using fine piping techniques whilst we test your chocolate knowledge with a teasing chocolate quiz.

At the end of the session everyone takes home a beautifully packaged box of their very own chocolates (average 21 chocolates per person) and lolly, to wow friends and family.
